

Heavy Truck and Equipment Mechanic

Locations in New Kingstown, PA and Waite Park, MN

Why choose SPT?

At SPT, we value both hard work and work-life balance. We appreciate our employees and respect their contributions to our ongoing success. In return, we offer employees a place to thrive in their careers. We encourage employees to find purpose and make a difference as well as career advancement opportunities. We want employees to be engaged and to participate in our mission. Would you like to join us?

Duties and Responsibilities:

- Troubleshooting and maintaining heavy trucks and equipment
- Building new heavy equipment
- General knowledge in electrical, mechanical, and hydraulic systems
- General experience in welding steel and aluminum
- Willingness to learn more as our equipment is specialized - If you are ambitious and enjoy working with heavy equipment and learning more about fabrication and building new equipment, this is a position that is perfect for you. You must be a self-starter and be able to work and think on your own as well as working with a team.

Required:

- Must have your own tools
- Experience working on heavy trucks and equipment
- CDL a plus
- Inspection license a plus
- Ability to pass a pre-employment drug test and background check

Pay per hour varies depending on experience. 40 hours per week with the opportunity for overtime. Reviews, raises and incentives are also given depending on performance.

SPT offers excellent benefits to include medical, dental, vision, 401k with match, paid vacation & holidays, provided uniforms, weekly pay cycle and much more!

Surface Preparation Technologies, LLC is an Equal Opportunity Employer M/F/D/V.
